TO PATIENTS WITH AETNA INSURANCE COVERAGE

Aetna Insurance has notified Newark Urgent Care that we are no longer a participating provider in the Aetna network effective January 1, 2025. We are hopeful this is only a temporary situation.

We are happy to see and treat you and collect your Aetna insurance information. We will also request your copay at the time of service and bill Aetna on your behalf. Please contact the Aetna member services phone number found on the back of your insurance card if you have concerns regarding financial obligations.

We are here to provide medical services for whatever may have brought you to our Facility today. Newark Urgent Care's focus will continue to be on your overall health.
